Narrative

This application is for Internet access with the carrier: NEOMIN. We made an M&C error in applying for funding with an existing 100 Mb contract @ \$1,037.50/month. The service was upgraded just before the application was submitted to 200 Mb at a rate of \$1,425.50/month and we overlooked the change. See contract, attached. The request is to increase the monthly amount from \$1,037.50 to \$1,425.50. There were no PIA review questions, and the application was approved with the lower monthly amount without reviewing the updated information.
